TO: NC ZOO Board <nczooboard.zoo>

SUBJECT: Re: "Unknown" item test results and recommendation

Rubric for Scoring the NC Zoo e-mail:

4 (100): Makes recommendation against the Board purchasing the “unknown” based on the six characteristics of living organisms, referring specifically to at least three test results

3 (90): Makes recommendation against the Board purchasing the “unknown” based on only three test results, with vague reference to all six characteristics

2 (80): Makes recommendation against the Board purchasing the “unknown” based on only two test results, with vague reference to all six characteristics

1 (70): Makes a recommendation against the Board purchasing the “unknown” based on only one test result, with vague or no reference to all six characteristics
